# CATERING POLICY

---

*We are pleased that you have chosen to hold your wedding with Olympic Hills Golf Club.  
Below is an outline of our Catering Policies and Procedures...*

## Function Rooms

Your wedding agreement includes the rental of the Founders Room, Olympic Main Room, and Banquet Deck. The rental agreement *does not* include the golf course, golf carts, driving range, putting green, paths around the course or Clubhouse, or member only Grille Restaurant or member only deck and locker rooms. If additional space and/or multiple additional sitting tables are required due to the fact that more people are in attendance on the day of the wedding than guaranteed seven (7) business days prior, there will be an additional \$100 fee added to the final bill. If this is predetermined seven (7) business days prior to the wedding, there will be no additional charge. If Olympic Hills is notified of this less than seven (7) business days prior, this additional fee will apply. Olympic Hills reserves the right to substitute an alternate room should the projected attendance fall below the original estimate. Set up times vary depending on availability of the room, which will be determined one (1) week prior to the wedding.

## Timing

The start and end times for your wedding are stated on the agreement. These times need to be followed by the group's timeline. By signing the agreement, you are adhering to those specific times. The end time listed is the time that the wedding is finished. You will have the banquet area reserved starting at your designated prearranged time and we ask that last call happens at 11:45 PM and that music stops at 12AM Midnight. Everyone needs to make their way out of the building after midnight and the doors are locked at 1AM. All shuttle bus drivers need to have the guests picked up by 12:30AM.

## Guarantees

The estimated charges and costs for the wedding are set forth in the agreement. You are required to notify the Catering Department with the guaranteed number of guests you expect to attend at least seven (7) business days prior to your wedding. If the guarantee is not received seven (7) business days prior to the function, the original expected number will serve as the guarantee. The number of guaranteed guests may not be lowered once submitted, and you will be billed for the guarantee regardless of no shows.

## Menu Selection

The Catering Department will contact you approximately 2-3 months prior to your wedding with a survey inquiring about your initial plans for your reception hors d'oeuvres, dinner, beverages, etc. to obtain a general idea of what you are planning. You will also be contacted to schedule an appointment at least six (6) weeks prior to the wedding to finalize the details of your function. Appointments are typically scheduled for a Wednesday day or evening and will be arranged through the Catering Department. For groups over fifteen (15), a predetermined menu is required. We can customize a menu of your choice. All final menu selections must be made at least thirty (30) days prior to the wedding. **All food and beverage prices cannot be guaranteed until sixty (60) days prior to the wedding.**

## Meal Indicators

Groups over twenty-five (25) will be required to provide entree selection counts for the group at least one (1) week prior to the event. In this case, you are also required to provide meal indicator cards for all of your guests and these must be approved by the Catering Department at least two (2) weeks prior to your wedding. Olympic Hills can provide customized meal indicator/place cards for you and the charge for this will be quoted based on your number of guests.

## Plated Meals

You may serve up to three entrées for your dinner. You will provide the breakdown of entrée choices seven (7) business days prior to the wedding, as well as a color coded system at each place setting to identify your guest's entrée selection. Vegetarian and children entrees are available upon request. There is not an additional plate charge for children's meals and generally not an additional plate charge for vegetarian meals unless they exceed 10% of the guaranteed number. We are able to accommodate specific dietary restrictions (i.e. Dairy Free, Gluten, etc.). If gluten free meals exceed 10% of your final count \$1.00 will be added per entree. All guests will be served the same salad, starch, vegetable and dessert.

### Food Regulations

Due to health department regulations and Club policy, food consumed on the premises must be prepared by the Club, with the exception of cakes or cupcakes. Leftover food on buffets and sit down dinners cannot be given to guests to take home. To-go boxes will not be distributed to guests with the exception of Club Members. Cooler and freezer usage in kitchen is not available. No food or beverages of any kind may be brought into or removed from the Club by either you or your guests without prior written approval. A \$100 fee will apply if any other food or snacks are brought in.

### Liquor Service

No liquor will be sold to or consumed on Club premises by any person under the legal drinking age (21 years of age). Identification cards will be requested of any person (including the bridal party) that appears to be under thirty (30) years of age. If we believe that you or any of your guests are intoxicated, we shall be permitted, in our sole discretion, to discontinue or limit alcohol service at the wedding, and to request that you and/or your guests leave the Club, all without any refund of the event price. Olympic Hills will take needed steps to contact law enforcement if these regulations are not followed. The bar will close before or no later than 12:00AM. No outside liquor is to be consumed on the premises or parking lot. Bottles of wine can be brought in if coordinated with the Catering Department prior to the wedding day. Olympic Hills allows the wedding to bring in their own bottles of wine (750ml). There will be a corkage fee of \$15+tax +service charge per bottle for each bottle opened. Olympic Hills will not pour liquor shots of any kind.

### Payment

We will not commence service without receipt of one hundred percent (100%) of a non-refundable payment of the estimated event price at least five (5) business days prior to your wedding. If the estimated event price exceeds the actual event price, we shall credit the difference to you within one (1) week after the wedding. If, however, the actual event price exceeds the estimated event price, we will present you with a final event total the night of the wedding and you will be required to pay the difference at that time. If outstanding balances are not paid in full or are only partially paid within thirty (30) days of the conclusion of the wedding, the remaining outstanding balances will be applied to the credit card that has been authorized for such payment (refer to the attached Credit Card Authorization document) along with an added 3% credit card service fee.

### Bar Charges

The estimated event price is based on certain estimated bar charges. We will notify you of the actual amount of bar charges the night of the wedding (at the conclusion of the wedding). If the estimated bar charges included in the estimated event price exceed the actual bar charges, we shall credit the difference to you within one (1) week after the wedding. If, however, the actual bar charges exceed the estimated bar charges, we will present you with a final event total the night of the wedding and you will be required to pay the difference at that time. If outstanding balances are not paid in full or are only partially paid within thirty (30) days of the conclusion of the wedding, the remaining outstanding balances will be applied to the credit card that has been authorized for such payment (refer to the attached Credit Card Authorization document) along with an added 3% credit card service fee.

### Sales Tax & Service Charge

All food prices are subject to a state sales tax and 20% service charge. This service charge is not a tip or gratuity. Additional payment for tips or gratuity for service, if any, is voluntary and at your discretion. All liquor prices are subject to a state sales tax and 20% service charge. Food prices are subject to 7.275% sales tax. Liquor prices are subject to 9.775% sales tax. All service charges are taxed as required by the State of Minnesota. By agreeing to this document you agree to pay applicable taxes on all sales and services rendered in connection with your wedding. The service charge is property of Olympic Hills Golf Club, which has complete discretion to its use and distribution.

### Deposits

In order to reserve your wedding date \$2,000.00 non-refundable deposit will be required for all weddings. After your \$2,000.00 deposit is received and the agreement is signed, your wedding date is booked. This applies to both Members and non-Members.
